Kilka słów o Erasmusie/ Some words about Erasmus

Erasmus+ is the EU's programme to support education, training, youth and sport in Europe. Its budget of €14.7 billion will provide opportunities for over 4 million Europeans to study, train, gain experience, and volunteer abroad.

Set to last until 2020, Erasmus+ doesn't just have opportunities for students. Merging seven prior programmes, it has opportunities for a wide variety of individuals and organisations. Detailed information on these opportunities, including eligibility criteria, is available in the Erasmus+ Programme Guide. An indicative funding guide for some centralised opportunities is also available.
